Attention: Mr. Fang Lei / Site Manager
Project : Rehabilitation & Adaptation of Skikda Refinery Project
Subject : Letter of Appreciation

Dear Sir,

Jurong Engineering Ltd, Subcontractor of Samsung Engineering Co., Ltd (SECL)'s Skikda Refinery Revamping and Adaptation Project – Package 26-4, had well performed during all the construction period. JEL's management extended full cooperation to SECL. JEL's manpower at site demonstrated excellent performance.

SECL hereby express highly appreciation for the contribution made by Jurong Engineering Co., Ltd for the successful completion of the project.

SECL will consider JEL at priority for future project available.

SECL will be pleased to recommend JEL to other international companies taking similar projects.

Sincerely yours,

Han Ho Lee / Construction Manager
SKIKDA Refinery Project
